

You are cordially invited to attend ground breaking ceremonies for the South Shiprock Housing Development at 10:00 A.M., Wednesday, June 23, at the construction site.

Participants in the ceremony will include Chairman Peter McDonald of the Navajo Tribe; Richard Van Dusen, Undersecretary of the Department of Housing and Urban Development, Washington, D.C.; and officials of various other sponsoring organizations.

The project is a development of the Shiprock Non-profit Housing and Community Development Corporation in cooperation with the Navajo Tribe and the Federal Housing Administration. Supporting entities include the Bureau of Indian Affairs, the Public Health Service, the Economic Development Administration, and Fairchild Camera and Instrument Corporation.

We sincerely hope the Shiprock Project will provide a blueprint for future housing developments on this and other reservations, and that consequently you will want to attend this important ground breaking.

Sincerely,

*Terry R. McCollister,
Executive Director*
