

# Consider Cincom

**We support data base and on-line software  
on every continent except Antarctica.**

This is a commitment we've made to the 2,000 plus users of TOTAL® (DB) and Environ/1® (DC). These knowledgeable implementors of advanced DB/DC systems realize the importance of local service.

It is not often in any field that "specialized" talent can be close at hand. Yet, over the past nine years, Cincom has established support centers in 42 cities, in 11 different countries and on every continent except Antarctica. Why? Because our DB/DC software products

form the heart of our clients' successful information systems.

If you consider this type of service and support commitment to be important to your organization, shouldn't you consider Cincom?
