ASHTON-TATE

C. WAYNE RATLIFF

CHIEF SCIENTIST

Wayne Ratliff joined Ashton-Tate in August 1983 where he headed up the design team for dBASE III.

Ratliff, the author of dBASE II and dBASE RunTime, operated his own software development and consulting business from 1977 until joining the company. From 1969 until July 1983, Ratliff held a variety of technical and managerial positions for Martin-Marietta, a defense and electronics company.

#

HARVEY JEANE

VICE PRESIDENT, PRODUCT DEVELOPMENT

Harvey Jeane joined Ashton-Tate in August 1983 as vice president, product development.

From 1970 until joining the company, Jeane was employed by Jet Propulsion Laboratory ("JPL"), the National Aeronautics and Space Administration center for planetary research. He served in a variety of managerial positions at JPL and most recently served as manager of the Ground Data Systems Section.
