

here it is!

dealers

The fastest, easiest way to learn PFS:WRITE – and win \$100!

1 in every 10 copies of the PFS:WRITE dealer demo provided above contains a "mystery line" worth \$100 to the person who finds it and calls us!! To claim your \$100, ask for the "PFS:WRITE mystery line" desk when you call and give the winning diskette serial number.

Why not go through the demo right now? In less than 15 minutes you will know how to use PFS:WRITE and if you are a \$100 winner. Even if you haven't won \$100, you will still be a big winner with your customers when you can quickly and easily meet their word processing needs with PFS:WRITE.

sales people

***An added incentive to make the
PFS:WRITE sale—\$50!***

For every 5 PFS:WRITE products a sales person sells between now and November 15, 1983, he or she will receive \$50 from Software Publishing Corporation through your Sales Representative!!

Selling any new product requires extra effort from sales people. Although PFS:WRITE is the easiest to learn word processor, we want to recognize those who make that extra effort for PFS:WRITE during its introduction. Good Selling!

WRITE Trial Size – FREE!

PFS:WRITE "Trial Size" samples have been produced for you to give FREE to every customer who purchases an Apple IIe without word processing software between October 3 and October 31, 1983, or as long as supplies last. Should your supply of PFS:WRITE Trial Size run low, you can copy the program onto blank formatted diskettes and use the additional labels and guides provided by your Sales Representative.

*Word processing software
for the Apple IIe that's:*

- *easy to learn and use*
- *versatile and powerful*
