

A camel is a horse created by committee.

Live Wire introduces faster camels.

*Electronic conferencing has come to NeXT at last. With Live Wire, the software that lets multiple NeXT users work together simultaneously to create documents using text, voice and image. While they stay informed via live Message Board and "in/out" features. Across the hall or across the country, with Live Wire, everyone is plugged in. Contact your NeXT reseller or NeXTConnection at 1(800) 800-NeXT for pricing and ordering information.*

LIVE WIRE from ADAMATION.
