Dear Russell,

As one of our most valued customers, and on behalf of Jonathan Crane, President of MCI National Accounts, I am pleased to invite you and your guest to join us at the MCI Heritage Classic at the Westin Resort on Hilton Head Island, South Carolina, April 14 - 18, 1993.

During 1993, both MCI and the MCI Heritage Classic celebrate their silver anniversaries and we have a variety of business and recreational events planned with this milestone in mind. There will be golf and tennis outings to test your competitive spirits, and in the evenings, a variety of dinner events and fun-filled entertainment for your pleasure and enjoyment.

On Thursday and Friday mornings, we've scheduled provocative business programs to be presented by Business Week's highly successful conference group. Our panelists, experts, spokespersons and leaders from well-known corporate, public and research organizations will look forward to spirited Q&A sessions with their audience.

We think you'll find the 1993 MCI Heritage Classic a memorable event, and we hope that you'll be able to join us.

Cordially,

Howard E. Taylor

Cindy, Russ will not be attending the attached golf classic. I called the account manager (Charlie Mead - 425-3083). He needs to let you know if he's responded for Russ or if we still need to do that. I sent a note to his secretary because she was out on Friday. As soon as she responds, please let Russ know so it can be taken care of.
