MEMORANDUM TO: All Holders of the STRAP-1 Manual

SUBJECT: Correction of June 1 Edition

You will note that, due to an error in collating the latest (June 1) edition of the STRETCH Programming Systems Specifications Manual, your copy (or copies) is (or are) missing page 1-20.

The missing page is enclosed and will make the manual complete when inserted in its proper place. We regret any inconvenience that may have arisen as a result of this error.
