POUGHKEEPSIE  
Dept. 539, Bldg. 965  
November 17, 1958

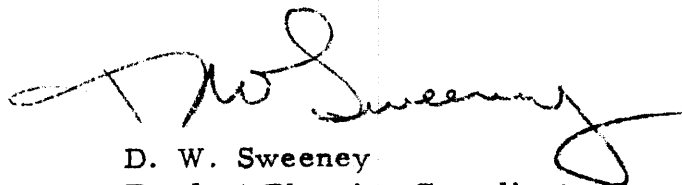

MEMO TO: Mr. S. W. Dunwell

SUBJECT: Intermediate Level Computer

REFERENCE: Your memo to Mr. D. W. Pendery of November 5, 1958

This will confirm that Dr. H. G. Kolsky has been assigned to study with Dr. Blaauw the possible computer designs which have less performance and are less costly than Stretch.

As necessary additional people from Product Planning will be assigned to assist.

D. W. Sweeney  
Product Planning Coordinator  
Project 7000
