MEMORANDUM TO: Series 7000 Circuit Memo Distribution List

SUBJECT: Project SILO Technical Memoranda

A total of 33 SILO Technical Memoranda were prepared as a part of the required reports for BuShips Project SILO. If, after looking over the attached abstracts, you feel that you need a copy of any of these memos, you may request it by checking the list at the end of the abstract sheets.

You will note that SILO Technical Memos 1 - 12 are available under the title of SILO Technical Memorandum; whereas, the balance are available as Series 7000 Circuit Memos. There is not a direct correspondence between SILO Technical Memo number and Series 7000 Circuit Memo number.
