

This document refers to a box of technical reports in the Computer History Museum's collection, described under catalog number 102748594.

The following technical reports in this box have accompanying descriptions:

Terms and conditions for the United States Postal Service

"This BOA is a pre-negotiated and approved agreement for the USPS user to obtain Digital products and services. Effective period is 4/20/84 - 4/19/86."

Developmental theory as a framework for studying human-computer interaction

"This report deals with the role of theory in the study of human-computer interaction. It shows that developmental theory has much to contribute as a framework for studying human-computer interaction."
