ASHTON-TATE

EDWARD M. ESBER

PRESIDENT, CHIEF OPERATING OFFICER

Edward M. Esber joined Ashton-Tate in May, 1984. Before joining the Company, Esber worked as a consultant for companies that include Future Computing, Dayflo and Ashton-Tate. From 1979 through 1983, Esber was with Visicorp.

Prior to working at Visicorp, Esber also served as a marketing manager for Texas Instruments' Personal Computer Division and was a consultant and engineer for IBM.

Esber holds a bachelor of science degree in computer engineering, a master's in electronic engineering and a Harvard MBA.
