## THE JOURNAL OF COMMUNITY COMMUNICATIONS

your quarterly forum for the exchange of notes and theories on interactive media,  
appropriate communications technology, and community information networks.

"One of the best (and maybe the only) sources of information on experimental community communication and information systems. . . . The *Journal* has good in-depth articles that explore political, social and technical aspects of communications."

—Steve Johnson, *Rain Magazine*

Sign here, please. Subscription price: \$9.00/year; \$12 institutions and foreign.

<i>For yourself . . .</i>	<i>For a friend . . .</i>
I'd like to subscribe to the <i>Journal</i> . Enclosed is my check or money order for \$ _____	Please enter a gift subscription for:
