Phone WP 393

Talk to Dr. Mel Shells.

Key Engs SRI

explore possible areas that they could do for us as
Contractors - to study & evaluate for IBM -

Wilson-Somant - interested in giving them some work, but
Will sign Conf. agreement - had trouble in this last Oct.
Don't "make work".

- are there areas in which we could use a study -

1. Tell about stretch.

2. are there areas in P.P. where we could use this help
need not be ~~big~~ big project.

3. Feb. 12-13 in Paugh. {one afternoon in Prod. Planning.}

P.P. talk to them - how diff from Prod. Level.

- other parts of P.P. some system such as 660-750
contracting? - not bank prog, they are involved in banking.

- talk to Don Cendary - about other areas.

they do: opr. Research, systems, Erma-Banking, electronics &
weapons, have done some for IBM - Dave Crawford, Res.
also Economics group, data processing - (have recommended
other equip.)

2 Paugh (1) P. Devel. Marcy has someone - -?

(2) Leon Cookman in Res.

(3) P. Planning

I should check into and call by end of week (ie. before Jan 17th)

Steve Jameson IBM
San Francisco
San Jose?

who pays?
