MEMORANDUM TO: Dr. M. K. Haynes
Thomas J. Watson Research Center
Yorktown Heights, New York

SUBJECT: Computer Memos, 1960-61

Enclosed are copies of several memos and reports of the 1960-1961 era from my files which may be useful to you.

I also have various Technical notes concerning G. Amdahl's "push-down" store machine as described in July and August 1961, but no "policy" memos regarding it.
