Memorandum for Dr. H. G. Kolsky

Subject: STRETCH

Thank you very much for your memorandum. This is most helpful.

Please do not be alarmed with regard to Messrs. Adams and Meagher. It is important at this stage of the game to understand with hindsight where we made mistakes in the STRETCH program. It is not an attempt to place the blame on any single individual; rather it is an attempt to avoid making these same mistakes in the future.
